FEATURES

- ✓ **Customizable Process Design:** Modular zones can be configured to exact processing specifications
- ✓ **Durable Construction:** Built to last with high-quality, long-lasting components
- ✓ **Operator Friendly:** Unique maintenance features for trouble-free operation
- ✓ **Superior Water Quality Management:** Several monitoring options available for consistent results
- ✓ **Low Operating Costs:** Built-in water and energy-saving features to improve ROI
- ✓ **Stainless Steel Components**
- ✓ **PLC with Touch Screen Control System Compatible with Downstream Equipment High-Pressure**
- ✓ **Drying Zone**
- ✓ **Low-E Compatible**

OPTIONAL EQUIPMENT

- ✓ Pre-Spray Zone
- ✓ Automatic Water Level Controls Integrated
- ✓ BioClean System Automatic Drain Feature
- ✓ Stainless Steel Frame
- ✓ Static Elimination System
- ✓ Low-E Surface Detection System
- ✓ Flow Monitoring
- ✓ Conductivity Monitoring
- ✓ pH Monitoring
- ✓ Overhead Drain Pumping System

SUPPORTING EQUIPMENT

- ✓ BioClean Water Care System
- ✓ Detergent Dosing System
- ✓ Overhead Drain Pumping System
- ✓ Reverse Osmosis Water Generating System

Billco Services

Billco provides the backbone for flat glass production lines, large and small, with high-quality equipment and 24 | 7 | 365 never-fail relationships. Our stability and expertise are backed by high customer satisfaction ratings, uptime statistics, impressive ROI, and a multi-million dollar industry of ready-to-ship replacement parts. Our Solutions Specialists, 24 | 7 | 365 Technical Support, and Replacement Parts Team are fully dedicated to keeping your line moving. Call or visit our website for more information.
